

Tax residency – Individuals

Additional information required for Non-superannuation money investments in Guaranteed Annuity, Guaranteed Annuity (Liquid Lifetime) and CarePlus.

The Australian Government recently passed laws to implement the requirements of the OECD's Common Reporting Standard (CRS). From 1 July 2017, these laws require Australian financial institutions like Challenger to obtain additional information from investors regarding their tax residency. Information about investors that are foreign tax residents must be reported to the Australian Tax Office (ATO). This legislation is in addition to the Foreign Account Tax Compliance Act (FATCA) introduced 1 July 2014.

If you require further information on the CRS or FATCA, please visit the ATO's website www.ato.com.au
