Challenger Retirement and Investment Services Limited (**Challenger**), trustee for the Challenger Retirement Fund (**Fund**), has determined to close the Challenger Guaranteed Personal Superannuation (**Super Plan**) and the Challenger Guaranteed Allocated Pension (**Pension Plan**) to new members on 4 October 2021. This means no new applications to invest into the products will be accepted after 3pm AEST/AEDT on 1 October 2021.

What does this mean for you?

Super Plan members

Existing Super Plan members can maintain their investments in the product, continue to make all superannuation contributions, including the transfer or rollovers of existing superannuation investments into their existing account. Upon maturity members may reinvest into new fixed term investments or the cash option. Internal rollovers will not be accepted into the Pension Plan as it is now a closed product.

Pension Plan members

Existing Pension Plan members can maintain their investment in the Fund and continue to reinvest upon maturity into new fixed term investments or the cash option.

If you have a valid and pre-existing reversionary beneficiary nominated on your account (generally your spouse), the nominated person will automatically continue receiving the pension after your death.
