Navigating the meeting on the day

Please log in 15 minutes in advance to ensure that you are prepared for the start of the meeting.

Once you have successfully logged in, you will enter the meeting and will see a holding slide. At 10:30am this is where the webcast will automatically play, you will be able to view the slide deck and ask questions via typed Q&A or call the phone line to ask your question live.

Asking questions

To ask your question via typed Q&A

Click in the white textbox, type your question and then click the **'Send'** button. You may use this question box to submit questions directed to the presenters or for any assistance needed in navigating the website. Once you have submitted your question you will no longer be able to see the question you asked until it is answered by the presenters.

To ask your question live to the presenters

Click the **'listen by phone'** tab beneath the webcast video display and proceed to click on **'MORE'** and then **'CONNECT ME'** which will take you straight to a webpage where you will enter your Name and Phone number, and the conference will call you directly and you'll be put into a queue to ask your question live.

If you would rather dial into the conference yourself, click on **'access numbers'** to find the correct phone number for your location and enter the participant passcode when prompted. You will then be placed into the queue to ask your question live.

The screenshot displays a Zoom meeting interface. On the left, a large black box contains the text "Please Wait." Below this, there are two buttons: "Dial in to Listen by Phone" and "Click more More...". In the center, a "Participant Access Information" dialog box is open, featuring a "Connect Me" button and the text: "Please join the event conference 5-10 minutes prior to the start time using the Participant Passcode listed below. Participant Passcode: 951695. Provided dial-in list of [access numbers](#) is also available if needed." On the right, a "Slides" tab is visible. At the bottom left, there is an "Ask a Question" section with a "Send" button and a status "Total Answered Questions: 0".

For Help

The "Help" ? button on the upper right side of the screen will provide a menu of items if you are experiencing issues and need guidance.

Please ensure that your speakers are turned on and your sound is not set to mute.
