

## **CHALLENGER APPOINTS FIXED INCOME HEAD**

---

Challenger has appointed Victor Rodriguez as Head of Fixed Income, leading a team that manages a fixed income portfolio for Challenger Life Company and third party investors.

Mr. Rodriguez joins Challenger from Aberdeen Asset Management where he has been Head of Fixed Income for Asia Pacific, based in Singapore, having previously led the fixed income business for Aberdeen in Australia. Before joining Aberdeen in 2009, Mr. Rodriguez had worked at Credit Suisse Asset Management (Australia) since 1995, holding a number of fixed income roles.

Ian Saines, Chief Executive Funds Management, said: "Victor's experience as an investor as well as in leading business development opportunities, along with his extensive leadership experience, positions him well to guide our plans for growth. His skills and experience are complementary to those of our current, exceptional team."

Mr. Rodriguez graduated from Sydney University with a Bachelor of Economics degree. He holds a Graduate Diploma in Applied Finance and Investment from the Securities Institute of Australia and is a certified practicing accountant.

His appointment at Challenger is effective from 18 April 2017.
